Oman Oil Marketing Lubricants

Our Lubricants

'By choosing Oman Oil Marketing Lubricants, you can be assured of a longer life and cleaner running of your engines.'

Oman Oil Marketing has become a brand associated with Oman's growth and its continued development into the modern era. Oman Oil Marketing has continually evolved and adapted to the country changing needs.

Known and respected as a supplier of fuels across Oman, since 2014, Oman Oil Marketing has become synonymous with lubricants as well.

As the fastest growing lubricant brand in Oman, our success speaks for itself.

A Unique Range

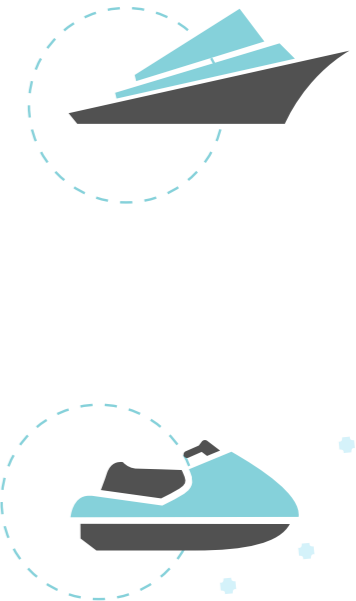

Engineered to
exceed expectations

Designed to meet
OEM requirements

Most advanced
technology

All lubricants are designed with a broad cross section of users in mind, whether for industrial use or for commuting consumers. With this in mind, each and every lubricant in our range has specifications meeting international standards.

Most important, our lubricants range is proudly manufactured under the supervision of our team of experts. It is truly a product that is made of a diverse range of base oils and additives to meet a diverse range of needs.

Engine Oils

'Complete Protection For Your Engine' is not just a saying for our lubricants, it is a commitment. Whatever type of engine you have, and regardless of the requirements of that engine, we have an oil that will suit your needs.

Optimo

For petrol engines, this oil comes in three varieties:

- **Optimo Titanium 5W30 API SN**

Advanced technology motor oil for today's state of the art engines

- **Optimo Platinum 10W40 API SM**

High performance motor oil for today's advanced engines.

- **Optimo Diamond 20W50 API SL**

Complete protection for all car engines, this is the entry-level oil that serves a broad usage.

Maximo

For diesel engines, we offer three varieties:

- **Maximo Ultra Multigrade 15W40 API CI-4**

Advanced diesel engine oil for today's high performance vehicles.

- **Maximo Super Multigrade 15W40 API CH-4**

Diesel engine oil for today's high performance vehicles.

- **Maximo Super Multigrade 20W50 CH-4**

Power enhancing diesel engine oil for all types of diesel engines.

More Than Just Engine Oils

Oman Oil Marketing not only offers engine oil which protect and clean, it also offers a further range of lubricants which preserve your engine and other working parts.

1

Power Guard Transmission Fluid (Dex III)

Offers unmatched performance in all automatic transmission and power steering units.

2

Gear Guard (Monograde API GL-4/ Multigrade API GL-5)

Offers complete gearbox protection, compatible with a wide range of synchronized manual gear boxes. Available in 90, 140, 80W90 and 85W140 specifications.

3

Friction Guard (MP2, EP2 and EP3)

Protects moving parts like hinges, flanges, ball bearings etc from corrosion, squeaks and friction. Available in lithium base with NLGI 2/3 and extreme pressure (EP) specification.

4

Speed Guard

High performance Dot 3 and Dot 4 brake fluid.

5

System Guard (ISO 32, 46, 68, 100 & 10W)

Oman Oil Marketing System Guard series is recommended for most types of industrial hydraulic systems, mobile hydraulic power transmission systems, circulating oil systems, etc. They provide excellent wear and thermal protection in hydraulic and circulation systems and have good air release properties.

Smooth Delivery & Technical support

Oman Oil Marketing has a fully integrated logistics supply chain and technical support to ensure seamless delivery and constant stock levels. Our logistics team ensures that all products are stored safely to the highest HSEQ standards and are dispatched in a timely and efficient manner with no knock-on effect to customers.

FAQs

Why should we choose Oman Oil Marketing lubricants over internationally recognized brands?

All Oman Oil Marketing lubricants are made using the latest research technologies and are tested to the highest standards. Many government departments and Ministries in Oman use these products exclusively.

Which international brands use Oman Oil Marketing Lubricants?

After independent tests were carried out, manufacturers such as Mercedes, MAN, and Volvo have accredited Oman Oil Marketing lubricants and approve the use of their engine oils.

How do Oman Oil Marketing products compare price-wise with other products?

All Oman Oil Marketing lubricants are priced to offer value for money for the technical standard of lubricants purchased.
